Nanette Floyd Patterson is an **Ordained Elder, Licensed Professional Counselor (LPC), Consultant and Trainer aka "The Vision Manifestation Queen."** She received her

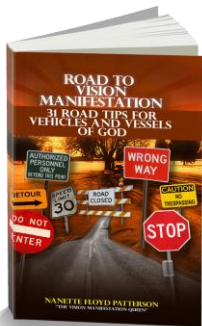

Master's Degree in Guidance and Counseling from NCCU and undergraduate degree in public administration from Shaw University. She is the President/CEO of The Seed Planter Coaching & Counseling, PLLC and has been counseling and coaching for over 20 years women and teen girls who struggle with emotional challenges. She uses her God-given gift of feeling others' passion to help Christian women visionaries get free from vision

blockers and clear on the vision so they can get moving on

whatever God has already given them permission to manifest. She also oversees HIScoach Training Academy where she certifies others to be Spirit-led, Christian Coaches (HIScoach™). Nanette is the author of *Road to Vision Manifestation: 31 Road Tips for Vehicles and Vessels of God*. She offers spiritual guidance

"God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ" (1 Thessalonians 5:23)

and practical steps to help individuals overcome emotional hindrances to what God called them to do. Nanette has been flowing in her entrepreneurial spirit since the age of 17. In 2008 she was a part of the top 10% of successful business owners in the state of North Carolina's healthcare services industry. As a serial entrepreneur, she also helps Christian women manifest the vision of ministry and business. She believes that when God gives a person a vision, He also provides the provision to do what it takes to manifest it. She dedicates her time and energy to coaching, teaching and mentoring Christian women to BE & GO unapologetically. After a season of suffering from depression, it became clear to her that God wanted her to educate the body of Christ about the "realness" of depression and its impact on Christian women and how to

overcome it using a three dimensional biblical approach. Her firm foundation is hearing the voice of God, communing with Him and following His instructions. She has two handsome boys and has been married for 24 years. **What others have said about Nanette?** "Nanette provided me with valuable tools that will help me along my journey." **Participant of VMFTS** She encouraged me, gave me practical advice, and met with me to strategize and plan. With her encouraging and pushing me to "just do it", I am now a published author." **D. Elliott** " She proudly gives God all of the glory for all accomplishments."

"When you yield to God's vision, you are willing to surrender everything about you to Him to use whenever, however, and wherever He sees fit." ~Nanette Floyd Patterson aka "The Vision Manifestation Queen" ~
